

**BAR MILL - AUBURN**

**Nucor Steel Auburn, Inc.**

August 24, 2010

To All Prepaid Truck Customers:

The September 1, 2010 fuel surcharge for prepaid truckloads from Nucor-Auburn will increase from \$.28 to \$.29 per mile.

The Department of Energy's (DOE) National Average for August 23, 2010 is \$2.957/gal.

Nucor-Auburn is using the DOE diesel fuel National Average at the end of each month to calculate the Nucor-Auburn Fuel Surcharge for the following month. We use \$1.50 as the base for fuel indices, and we assume a fuel efficiency rating of 5 miles/gal. Mileage is based on practical miles using PC Miler Ver. 22.

**Example:    \$2.957 - \$1.50 = \$1.457/gal**  
**\$1.457 / 5 gal/mile = \$0.29**

For your reference the DOE diesel fuel National Average is published on:
